

# VALENTINE DAYDREAMS

Love is in the air! With Valentine's Day approaching, we decided to ask the Riverdale gang to pick their ideal celebrity Valentines! It was certainly no easy task ... Let's see who they chose!

## Archie

My celebrity dream date? That's a tough one! I would probably pick Taylor Swift. She's a sweet, regular girl-next-door who gives back to others and I really like that. Though, I do also love Katy Perry. She definitely is a looker! Man, this is tough! Good thing I don't have to make a choice like this in real life!

## Veronica

How could I possibly choose just one? First, I'd have a breakfast date with Justin Bieber. He seems like someone who would be nice just to go out and get pancakes with. I wouldn't want to keep him out past his bedtime. Then maybe some brunch with Cory Monteith - he's hot, he can sing and he's hysterical! That would be followed by shopping with Zac Efron. A hot guy with style like that has got to be great to shop with! Then dinner with Taylor Lautner - someone as gorgeous as he is has to be shown off to everyone! Finally, I'd end the night with a romantic dessert with the one and only Nick Jonas! I know it's not much, but that would still be my ideal Valentine's Day!

## Betty

Ian Somerhalder is my number one choice! On top of being incredibly talented, he's a great philanthropist! He started a charity to help those affected by the oil spill in the Gulf. I really respect someone who gives back to the community like that! It's great to see someone with a big heart ... not to mention, he's absolutely gorgeous! What's NOT to love?

## Reggie

I've always loved Scarlett Johansson. Sure Ryan Reynolds may play a superhero, but I think she should ditch that zero and get with the real hero, Reggie Mantle! Since she's taken, I'll have to choose some backups. Miranda Cosgrove would have to take some time out of her busy schedule for me. She's hot and she can make me laugh ... she just better not try to be funnier than me! Selena Gomez's got the looks and the voice! She could write an awesome love song about me. I would also pick someone down-to-earth like Victoria Justice. I like how sensible she is ... I mean, I suppose one of us should be! If you couldn't tell, I prefer girls with dark hair. In the end, I don't really have to choose. It would be much easier to just let the girls fight over me and see who wins!

## Jughead

If I had to choose ... Paula Deen. Need I say more? Though honestly, I'm not really too interested in this whole "Valentine's" thing. For me, the perfect Valentine would be anyone who will share their Valentine's Day candy with me. No dates necessary.
